To the parents/guardians of Lashira Abdul Samad:

We are happy to announce the launch of our new student information system, PowerSchool. PowerSchool will be replacing Parent Connect this fall of 2017. In order to access the new portal you will need to create a new account. This can be done by visiting <https://torrance.powerschool.com> and selecting the Create Account tab. It is very important that you submit an accurate email address. We recommend the Google Chrome or Firefox browser to access the portal.

You will need your student's Access ID and Password below to link your child to your account. If you have multiple children in the district, you will receive a separate letter for each child, which you can link to your newly created account.

Lashira's Access ID is **AbdulS637**  
Lashira's Access Password is **34888**

Please keep your passwords confidential so that only you can access the information.

Once you have your account created and child(ren) linked, we ask that you click on the Registration link to update your information and review district agreements.

Visit [www.tusd.org/parents/powerschool](http://www.tusd.org/parents/powerschool) for more detailed information. Please contact the school directly should you have further questions.

Sincerely,

Torrance Unified School District
