

# This summer, be a BUSY BEE!

## Prepare for the 2018 - 2019 Annual TUSD Spelling Bee!

*Super Spellers aren't build overnight. It takes an interesting mind and dedication to be a Super Speller. You CAN do it!*

*The County and school districts across the state are no longer providing word lists to study. So, IT'S UP TO YOU. Take time this summer to build word lists using base words from Latin, Greek and other languages. We have given you resources to begin with the attached pages. You will be well prepared to ace your school competition, the District competition and maybe even go to the L.A. County Bee (end of March) and the California State Spelling Bee. So, get buzzing and cover your walls with words!*

*Good luck!*
