TUSD is proud to present the 4th Annual TUSD GATE Conference. This conference is designed to provide information and resources to support the academic and social development of gifted learners.

Attendees will hear from keynote speaker, Ian Byrd - an educator, founder of Byrdseed.com, and advocate for gifted education. Participants will also engage in a breakout session facilitated by TUSD educators.

There is no charge to attend, however registration is required. You will need the 7-digit TUSD ID number of your identified GATE student to register (same number a student uses to log into etusd/Chromebooks and purchase school lunch). Space is limited, and this event is designed for parents, identified GATE students (grades 3-8), and TUSD educators only. Students who attend must be accompanied by their parent/guardian. We regret that we will not be able to accommodate young children.

**Parent/guardians may register via Google form link on the GATE website starting Monday, April 9, 2018 at 9:00 AM. ([bitly.com/2018TUSDGATE](http://bitly.com/2018TUSDGATE))**
