About the Torrance Chinese School

TCS courses are well connected from easy to advanced levels, providing complete Chinese courses in Southern California for 30 years. TCS students won numerous awards in various competitions. Our advanced class students are ready for SAT II tests.

Confidence Activities

Chinese Conversation Classes
(Speaking, Listening, Reading)

Inspiring instructions teaching Chinese conversation. Focus on listening and speaking comprehension. We accept students from 5 years old and up.

Simplified and Traditional Chinese classes
(Speaking, Listening, Reading, Writing)

From kindergarten to advanced classes, from simple daily conversation to expressing opinions in oral and written forms, our teaching focuses on listening, speaking, reading and writing skills in Chinese. Classes are suitable for students who are equipped with basic Chinese listening and speaking abilities.
